QUESTIONS

1. Question: The specs for the sign refer to a changeable copy sign, as does first picture included with the bid information. However, on the second picture which has the side view of the sign, it refers to "2'-6" x 9'6" x 2' wide aluminum cabinet for back to back LED Sign Boxes with Wireless Data Transmission". Do you really want a changeable copy sign?

Response: The internally lighted sign box with changeable copy is correct as described in the sign specs (Section 02872 - 2.2) and in the front elevation (Detail 5) on sheet D-5. Omit the reference to the "LED sign boxes with wireless data transmission" from Section 'A' of Detail 5, Sheet D-5. Dimensions for the aluminum cabinet are correct.

END OF ADDENDUM #5
